SEISMIC HOLE PLUGGER'S BLANKET BOND

KNOW ALL MEN BY THESE COVENANTS, that _____,
as Principal, and _____ a Surety company authorized to do
business in the State of Wyoming, as Surety, are held and firmly bound unto the State of Wyoming in the
sum of _____ Dollars (\$ _____) lawful money of
the United States, to be paid to the Wyoming Oil and Gas Conservation Commission, as agent of the State
of Wyoming, for the use and benefit of the State of Wyoming, for which payment well and truly to be
made, we bind ourselves, and each of us, and each of our heirs, executors, administrators, successors and
assigns, jointly and severally by these presents; provided further that this bond may be increased or
decreased (but not decreased below \$10,000) by a rider hereto executed in the same manner as this bond.

THE CONDITIONS OF THE FOREGOING OBLIGATION IS SUCH THAT, WHEREAS, the
Principal is or will be commencing plugging seismic holes in the State of Wyoming:

WHEREAS, the Surety hereby waives any right to notice of any and all locations upon which
Principal performs the aforesaid operations; and

WHEREAS, the Principal and Surety agree that notwithstanding the termination of operations on
any particular line or location, covered by this bond, whether termination of said operations is by
operation of law or otherwise, this bond shall remain in full force and effect as to all remaining seismic
operations in the State of Wyoming in which the Principal is engaged; and

WHEREAS, the Principal and Surety agree that the neglect or forbearance of the Wyoming Oil
and Gas Conservation Commission in enforcing, as against the Principal, any of the covenants,
conditions, agreements, rules, regulations, requirements or any of them, shall not, in any way release the
Principal and Surety, or either of them, from any liability under this bond.

NOW THEREFORE, if _____, the above
bounden Principal, shall well and truly comply with all the provisions of the oil and gas conservation laws
of the State of Wyoming and the rules, regulations and orders of the Wyoming Oil and Gas Conservation
Commission made pursuant thereto and the orders of the Wyoming Oil and Gas Supervisor or his duly
authorized representatives, with reference thereto, then this obligation shall be void and of no effect;
otherwise, it shall remain in full force and effect. Any action upon this bond shall be governed by
Wyoming Law.

In case of a breach of any of the conditions of the foregoing bond, Surety holds itself bound as principal
thereunder, in the amount aforesaid, and agrees to answer for the same without regard to and
independently of any action taken against Principal and whether Principal be first pursued or not.
